10	What is NeoPopRealism?	NeoPopRealism is the graphic arts style, which combines the brightness, simplicity, and complex at the same time, while using a concept of the broken spaces and patterns improvisation. The NeoPopRealist artwork is a window into its creator's intellectuality because it reflects their intellectual state. The creator ,who is in a primitive state of mind, will result in doodling, instead of art. To create a good NeoPopRealist artwork, one also must be a <i>Visual Mathematician</i> .. The artists with higher IQ will be able to 'architect' their
